Dear Mr. Lederberg:

Permit me to acknowledge your request that we accept your resignation as an Active Member of The New York Academy of Sciences. This request was presented to the Council at its meeting on March 25, 1948, and was accepted with great regret.

We take pleasure in stating that should you desire to become reinstated on our membership rolls in the future, we shall be most pleased to have you with us again.

We have placed your name on the mailing lists in our files to receive notices of publications issued, that you may be kept up to date in this respect.

With my best wishes to you.

Very sincerely yours,

Executive Director
